67.7 Proxies

Every licensee In Good Standing may by means of a proxy appoint an individual who shall be a licensee In Good Standing, as nominee for the licensee, to attend and act at a meeting of licensees. A proxy shall be in writing, and any notice calling a meeting of licensees shall include a form of proxy, or a reminder of a voting licensee's right to use a proxy. A proxy shall be executed by the licensee In Good Standing or the attorney of the licensee authorized in writing and ceases to be valid one year from its date. Subject to the requirements of law, a proxy may be in such form as the Board or its delegate from time to time prescribes, provided however that the Board may by resolution from time to time fix a time not earlier than the close of business five (5) Business Days preceding any meeting or adjourned meeting of licensees before which time proxies to be used at that meeting must be deposited with the Council, and any period of time so fixed shall be specified in the notice calling the meeting

68.2 Majority Determines

Each licensee in attendance in person or by proxy at a meeting of licensees is entitled to cast one (1) vote. All questions proposed for consideration at a meeting of licensees shall be determined by a majority of the votes cast by licensees In Good standing, provided however that it shall be the responsibility of the Board or its delegate to ensure that the mechanisms adopted from time to time for calculating the votes are fair, equitable and accurate.

68.3 Electronic or Telephone Voting

The Directors may provide for licensees to vote by telephonic, electronic, or other communication facility. Such alternative means of voting must:

- (a) allow for verification that the votes are made by the licensees entitled to vote; and
- (b) not allow the Council to identify how each licensee voted.

68.4 In-person Voting at a Meeting of Licensees

The Directors may provide for licensees in attendance at a meeting of licensees to vote by a show of hands, a prescribed voting card or by the use of a wireless audience voting device.

68.5 Adjournments

Any meeting of licensees may be adjourned to any time and from time to time, and any business may be transacted at any adjourned meeting that might have been transacted at the original meeting from which the adjournment took place, but no business may be transacted at any re-convened meeting other than business which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same. No notice is required of any adjourned meeting.

68.6 Rules of Order

In all cases for which no specific provision is prescribed by law or made in the By-laws, the rules and practice of the latest edition of Robert's Rules of Order shall govern as far as applicable, provided that no action of the Council or of the Board shall be invalid by reason only of an inadvertent failure to adhere to such rules.
