A RISIA shall have no right to sublicense to others the right to use the Corporate Trade-marks or Logos.
- 4.4 Subject to paragraph 5.1, Accredited Educational Providers may use the Corporate Trade-marks and Logos listed in Schedule “C” to this Regulation, in accordance with the terms of this Regulation in association with the accredited educational services offered by the Accredited Educational Provider to students who wish to become Licensees (the “Accredited Educational Provider Services”), including use on the website of the accredited educational institution, on its correspondence, business cards and stationery, and in print, television, online banner advertisements, and social media to indicate that their services are accredited by the Council. - 4.6 Licensees and Accredited Educational Providers will neither do nor permit to be done any action or thing, which will in any way impair the rights of the Council in and to the Corporate Trade-marks or Logos and will not do or permit to be done any action or thing which would adversely affect the validity or enforceability of the Corporate Trade-marks or Logos. Licensees and Accredited Educational Providers will not represent that they have any ownership interest in the Corporate Trade-marks or Logos, or register, or apply for any trade-marks, trade names, domain names or other intellectual property that include the Corporate Trade-marks or Logos, or are confusingly similar to the Corporate Trade-marks or Logos, or do or cause any act or thing directly or indirectly contesting or in any way impairing the right, title or interest of the Council in and to the Corporate Trade-marks or Logos, or develop or use or cause to be developed or used any trade-marks, trade names, domain names or other intellectual property that include the Corporate Trade-marks or Logos, or that are confusingly similar to the Corporate Trade-marks or Logos.
- 4.7 The Corporate Trade-marks and Logos will at all times be and remain the property of the Council. - 4.8 Licensees and Accredited Educational Providers must obtain an original electronic image of any Corporate Logo directly from the Council. Downloading or copying a Logo from any other source is not permitted and renders the use unauthorized and prohibited. Any departure from such approved material shall be deemed to be a breach of this Regulation.
- 4.9 No Corporate Trade-mark or Logo shall be used to present a false or misleading impression about the Council or its services, the RCIC Services, the RISIA Services or the Accredited Educational Provider Services.
- 4.10 No Licensee or Accredited Educational Provider may imply that it is trading as the Council, or that the Council sponsors or operates in association with it without first obtaining the express written consent of the Council. Co-branding is prohibited and the Corporate Trade-marks and Logos are not to be used in close proximity to or as a feature or design element of any trade-mark, logo, or business name of others, including any trade-mark, logo, or business name of a Licensee or Accredited Educational Provider. A Corporate Trade-mark or Logo (including Insignias) must be significantly smaller than any commercial trade-mark or logo used by a Licensee or Accredited Educational Provider. In the case of business letterheads or e-mail signature blocks, a thumbnail size image of the Insignia is acceptable. If, in the opinion of the Council, the depiction or placement of the Corporate Trade-marks or Logos could be construed by a reasonable person to indicate that the Licensee or Accredited Educational

Provider is trading as the Council or that the Council sponsors or operates in association with it, the Licensee or Accredited Educational Provider will be in breach of this Regulation.

- 4.11 Once a Corporate Logo has been properly obtained from the Council, it shall not be altered in any way from the original received image including but not limited to its style, layout, appearance, proportions, colours, typeface, or combination of typefaces.
